

## Downtown Bulverde Village: What would you like to see?

The community is invited to attend a workshop on **Tuesday, August 26, 2014, from 4:00 p.m. to 7:00 p.m.**, at the **Bulverde Spring Branch Activity Center**, 30280 Cougar Bend, Bulverde, Texas, to talk about the future of the Downtown Bulverde Village area. The workshop is an opportunity for residents, business and property owners, and others interested in the Downtown Bulverde Village to provide ideas and input that will help shape the future of the area. The workshop will be conducted in a come-and-go format. A formal presentation will be scheduled at 5:30PM at the Activity Center, and participants can interact individually or in small group activities before or afterwards.

This is the first of two community workshops scheduled for this visioning project; the next will be held on October 14<sup>th</sup>. The overall visioning study will look at existing conditions (infrastructure and the natural environment); the supply and demand for various land uses and building types; and the community's aspirations for the Downtown Bulverde Village. The recommendations, including a set of strategies aimed at achieving the vision, is anticipated to ultimately be presented to the Bulverde City Council in January 2015.

Interested persons are also encouraged to complete an online survey which will be posted on the City of Bulverde website in advance of each of the community workshops and remain open for a few days afterwards. The survey is another opportunity to share thoughts and ideas that will help create the vision for the Downtown Bulverde Village.
