Howdy everyone, we are already planning for National Night Out 2024 and we need your help! The City of Bulverde and the Bulverde Police Department invite you to participate in Bulverde's National Night Out 2024 which is scheduled for Tuesday, October 1st, and the Bulverde Police Department is looking for individuals to host a block party event. Some of you may choose to combine your efforts with other families in your subdivision and that is okay. As always, we're looking to improve.

National Night Out is a great opportunity to meet your neighbors and discuss ideas for a safer community. The occasion also provides a good opportunity to meet your local first responders from the police department and fire/EMS entities, the same people that will be responding should you call for assistance.

Even though our community is small, we were able to accomplish our goal of having a successful National Night Out in 2023 because our Hosts opened their homes and their hearts. An official announcement should go out before too long in *The Front Porch News*, but we wanted to start getting the word out to those that have hosted in the past. The Bulverde Police Department's plan is to provide every host with a \$25 gift card from HEB as in the past. We will also provide all NNO 2024 banners, tablecloths, fans, etc. and any other support we may be able to offer.

As a Host, you will be invited to the National Night Out Host Appreciation Dinner. This event creates a great opportunity to come together and share ideas, meet other block party Hosts, have a chance to win great door prizes, distribute gift bags, share a meal, and meet all those that make National Night Out in Bulverde a tremendous success.

With successful sponsorships, we would like to provide festivities once again at the Bulverde Spring Branch Activity Center for a catered luncheon for our senior citizens. These folks enjoy the camaraderie of law enforcement and get so excited when they win a door prize!

Let's all come together, unite our neighborhoods, and work hard towards keeping this community we love, free from crime. Help us to give crime and drugs a going away party that we can all enjoy. We're sure counting on making this year's National Night Out another special one. If you have any questions or concerns, or if you know of someone who would like to Host or Sponsor, please contact Debbie Lisso with the Bulverde Police Department at 830-380-3035 or via email at dliisso@bulverdetx.gov. Looking forward to working with you soon!

Sincerely,

Chief Gary Haecker
