Dear Sponsor,

We invite you to be a part of our National Night Out for 2025. The City of Bulverde will celebrate Texas' National Night Out event on Tuesday, October 7, 2025. Bulverde is registered as an official participant for NNO 2025. This year we've entered the National Night Out Awards Program for cities with populations under 15,000. Last year Bulverde placed 4th in the State of Texas. We are still overwhelmed and overjoyed with such pride and dedication to our small community for our successful National Night Out campaigns that we want to strive to improve on that again this year.

We are offering a limited number of sponsorship opportunities to local businesses in Bulverde. This is a great chance to show support for the community, and a great opportunity to showcase your business. A business sponsorship will get your business logo and/or name on all National Night Out banners and posters that will be prominently displayed in the community, advertisement opportunities in our Host bags, and an invite to the Host Appreciation dinner, along with National Night Out block events.

In past years Singing Hills, HEB, Walmart, and Smokey Mo's have graciously sponsored Host events. Donations from these great community partners make it possible to have the Host Appreciation event for those citizens from the community who volunteered to Host block party events in their neighborhoods. The Heights of Bulverde and Bulverde Improvement Inc have teamed up this year to host the annual NNO event at the Bulverde Spring Branch Activity Center for senior members of our community.

This year the City and Bulverde Improvement Inc have partnered with the Bulverde Spring Branch Chamber of Commerce to assist with recruiting local businesses. Bulverde Improvement Inc is a 501c3 so your donations will be tax deductible and a donation letter will be provided. The Bulverde Improvement Corporation has made donations to Provisions Food Pantry, Bulverde Spring Branch Activity Center and the Children's Advocacy Center of Comal County.

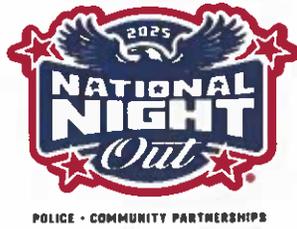

Want to know more or confirm your sponsorship? Please call Debbie Lisso at 830-380-3035 or Rhonda Zunker at the Bulverde Spring Branch Chamber of Commerce at 830-438-4285. Sign up early as sponsorships are limited so your business gets the recognition it deserves.

We look forward to working with you to make Bulverde's National Night Out 2025 the best one ever.

Howdy everyone! We are already planning for National Night Out 2025 and we need your help! The City of Bulverde and the Bulverde Police Department invite you to participate in Bulverde's National Night Out 2025 which is scheduled for Tuesday, October 7th, and the Bulverde Police Department is looking for individuals to host a block party event. Some of you may choose to combine your efforts with other families in your subdivision and that is okay. As always, we're looking to improve.

National Night Out is a great opportunity to meet your neighbors and discuss ideas for a safer community. The occasion also provides a good opportunity to meet your local first responders from the police department and fire/EMS entities, the same people that will be responding should you call for assistance.

Even though our community is small, we were able to accomplish our goal of having a successful National Night Out in 2024 because our Hosts opened their homes and their hearts. An official announcement should go out before too long in The Front Porch News, but we wanted to start getting the word out to those that have hosted in the past. The Bulverde Police Department's plan is to provide every host with a \$25 gift card from HEB as in the past. We will also provide all NNO 2025 banners, tablecloths, fans, etc. and any other support we may be able to offer.

As a Host, you will be invited to the National Night Out Host Appreciation Dinner. This event creates a great opportunity to come together and share ideas, meet other block party Hosts, have a chance to win great door prizes, distribute gift bags, share a meal, and meet all those that make National Night Out in Bulverde a tremendous success.

With successful sponsorships, we would like to provide festivities once again at the Bulverde Spring Branch Activity Center for a catered luncheon for our senior citizens. These folks enjoy the camaraderie of law enforcement and get so excited when they win a door prize!

Let's all come together, unite our neighborhoods, and work hard towards keeping this community we love, free from crime. Help us to give crime and drugs a going away party that we can all enjoy. We're counting on making this year's National Night Out another special one. If you have any questions or concerns, or if you know of someone who would like to Host or Sponsor, please contact Debbie Lisso with the Bulverde Police Department at 830-380-3035 or via email at dliisso@bulverdetx.gov. Looking forward to working with you soon!

Sincerely,

Chief Gary Haecker
